NEWS, UPDATES, MAY MEETING RECAP

HELLO MEMBERS!

It has been awhile since we have sent out an update, but we have a few exciting changes to share!

We have a website! Check us out and subscribe! CLICK HERE www.mhpna.org!!! You can also find all the MHP resources such as the therapist list, provider availability form, upcoming meetings, newsletters etc. on the site.

We need guest bloggers for the website. Do you have a topic that you are passionate about or a niche that you want to share? Maybe you are just opening a practice and want to share the ups and downs of that endeavor, or you are an ALC navigating the process of becoming an LPC. No matter where you are in your career journey, we would love to have you blog about your experience and knowledge on the site. The blog is a great way to reach providers and continue to provide a place for colleagues to get resources, network and gain information.

If you are interested in contributing as a guest blogger on the mhpna.org website, please do the following:

1) click this link:

<https://docs.google.com/spreadsheets/d/1Cys7NSqADdGX38w8naFQn1p9ZoDqPp5dfsPoBGvUXJw/edit?usp=sharing>

2) Choose the month you would like to submit for.

3) Add your name and topic that you want to blog about.

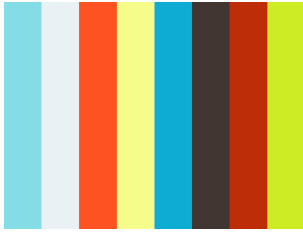

4) ALL blog posts should be submitted to info@mhpna.org by the 5th of that month.

Feel free to email us with and questions or concerns. We look forward to adding this feature to our site!

MAY MEETING-ABEC PRESENTATION

We had the pleasure of hosting Dr. Keith Cates with ABEC (Alabama Board of Examiners in Counseling) on Friday, May 21st. He shared many exciting and important changes at ABEC and

regarding licensure in general. If you are an LPC, ALC, or a master's level counselor considering licensure this is an informative presentation. Recording of presentation is below.
